

## Thank you for purchasing the S3F8S19/S3F8S15 Development Kit!

Part Number S3F8S190100ZCOG

### Supported Operating Systems

The Software and Documentation for this reference design supports Microsoft Windows 7 (32-bit/64-bit), Windows Vista (32-bit/64-bit) and Windows XP.

#### Download and Install the ZDS II Software and Documentation

1. Prior to connecting the S3F8S19/S3F8S15 Development Board to your development PC, download ZDS II for S3 v5.2.0 (or later) from the Downloadable Software category in the Zilog Store.<sup>1</sup>
2. When the download is complete, unzip the file to your hard drive, then double-click the installation file named **ZDS2\_S3\_<Version>.exe** and follow the on-screen instructions.
3. When the ZDS II installation is complete, double-click the installation file named **DOCS\_S3<version>.exe** and follow the on-screen instructions.
4. Return to the Zilog Store. Click **S3FS190100ZCOG Software and Documentation** (Product ID #SD00028). On the Product Details page, click the **Add to Cart** button and complete the checkout process to download the S3F8S19/S3F8S15 Development Kit Software and Documentation installation zip file to your hard drive.<sup>1</sup>
5. When the download is complete, unzip the file to your hard drive, double-click to launch the S3F8S190100ZCOG\_<version>.exe installation file, and follow the on-screen instructions to install your files.
6. When these installations are complete, view the **S3F8S19/S3F8S15 Development Kit User Manual** (UM0268, a PDF file); this document will be located in the following path, by default:<sup>2</sup>  
C:\Program Files\Zilog\ZDSII\_S3\_<version>\Documentation\Tools\_Documentation

The UM0268 document provides the following information:

- Kit Contents, Features and Board descriptions
- Connecting the S3 Flash ISP to your application board
- Running the S3F8S19/S3F8S15 Demo Sample Program

<sup>1</sup>If you're a first-time visitor to the Zilog Store, you will first be required to register as a Zilog Store user before downloading your software. Returning visitors must log in to purchase or download.

<sup>2</sup><version> represents the release version of the ZDS II – S3 installation.
