

Thank you for purchasing the *Encore! Smart Cable*

Part Number ZUSBESC0200ZACG

Supported Operating Systems

The Software and Documentation for this tool supports Microsoft Windows 10 (32-bit/64-bit), Windows 8 (32-bit/64-bit) and Windows 7 (32-bit/64-bit) .

Download and Install the ZDS II Software and Documentation

1. Prior to connecting the Encore! Smart Cable to your development PC, download ZDS II for Z8 Encore! v5.6.1 (or later) from the Downloadable Software category in the Zilog website.
2. When the download is complete, unzip the file to your hard drive, then double-click the installation file named **ZDS2_Z8Encore!_<version>.exe** and follow the on-screen instructions.
3. When the ZDS II installation is complete, double-click the installation file named **DOCS_Z8Encore!_<version>.exe** and follow the on-screen instructions.
4. When these installations are complete, view **Encore! Smart Cable User Manual** (UM0294 a PDF file); this document will be located in the following path, by default:

C:\Zilog\ZDSII_ Z8Encore! _<version>\Documentation\Tools_Documentation

The UM0294 document provides the following information:

- Kit Contents, Features of Encore! Smart Cable and tips on how to use it
- How to install the Encore! Smart Cable Driver
- How to connect the Encore! Smart Cable to the Target Board

Thank you for purchasing the *Encore! Smart Cable*
