

Thank you for purchasing the S3F8S39/S3F8S35 Development Kit!

Part Number S3F8S390100ZCOG

Supported Operating Systems

The Software and Documentation for this reference design supports Microsoft Windows XP(SP3), 7, 8, and 10 (32-bit/64-bit) machines.

Download and Install the ZDS II Software and Documentation

1. Prior to connecting the S3F8S39 Development Board to your development PC, download ZDS II for S3 v5.4.0 (or later) from the Downloadable Software category in the Zilog Store.
2. When the download is complete, unzip the file to your hard drive, then double-click the installation file named **ZDS2_S3_<Version>.exe** and follow the on-screen instructions.
3. When the ZDS II installation is complete, double-click the installation file named **DOCS_S3<version>.exe** and follow the on-screen instructions.
4. When these installations are complete, view the **S3F8S39 Development Kit User Manual** (UM0290, a CHM file); this document will be located in the following path, by default:

C:\Zilog\ZDSII_S3_<version>\Documentation\Tools_Documentation

The UM0290 document provides the following information:

- Kit Contents, Features and Board descriptions
- Connecting the S3 Flash ISP to your application board
- Running Demo Sample Programs
